40,000 Men Go to Europe

To Strengthen Western Force,
Bring U.S. Might to 250,000

WASHINGTON (UPI) — President Kennedy was reported today to have decided to send 40,000 more American troops to Europe to strengthen Western forces in the Berlin crisis.

An announcement of the troop buildup, consisting of reinforcements for the U. S. 7th Army in Germany, was expected to be made shortly by the Defense Department.

Check Cashing Spree Financed Scholarships

CHICAGO (UPI) — A teenage divorcee told police Friday night she used \$88,800 obtained from cashing bogus checks to finance a dance band and award college scholarships.

Mrs. Shelby June Neumann, 19, and Patricia Cavey, 18, were arrested Friday when a bank teller became suspicious of a \$32,000 check drawn against the Fleischmann Distilling Corp.

Police said Mrs. Neumann took the checks when she left her summer job as a relief switchboard operator for the distilling firm. She filled out the checks and gave them to Miss Cavey to cash at the South Side Beverly Bank & Trust Co. Authorities said Mrs. Neumann admitted the theft.

Miss Cavey, who said Mrs. Neumann told her the checks belonged to her grandmother, succeeded in cashing checks for \$3,900, \$4,150, \$10,750, and two for \$25,000 each.

Asked to Return
When Miss Cavey attempted to cash the sixth check for \$32,000 Thursday, bank officials told her they did not have that much cash on hand. They asked her to return Friday.

Bank officials checked with Frank Fiore, an executive of the Fleischmann firm, and learned the checks were bogus. When Miss Cavey appeared to claim the money Friday, she was arrested. Miss Cavey told detective William Kearney she got the checks from Mrs. Neumann, who was then arrested.

Mrs. Neumann said she gave \$1,000 of the money to Miss Cavey as a wedding present.

Mrs. Neumann said she handed over another \$1,000 as a gift to a friend named Don Davidson.

Money for Education
She said she gave \$20,000 to another friend, a trumpet player named William Nielsen, to finance his musical education at a California college and another \$3,000 for a sports car for his trip West.

Mrs. Neumann said she provided \$10,000 to a man named George Gorman, who wanted to organize an eight-piece dance band and turned over another \$7,000 to Gorman for a Cadillac to transport the band.

Her final gift was \$1,000 to Miss Cavey's boy friend to assist him with his college education.

AIR TESTING BAN REJECTED

DeGaulle's Car Bombed Underway

Catches Fire, But
No Explosion As
President Escapes

PARIS (UPI) — Terrorists tried to blow up President Charles de Gaulle's car with a fire bomb Friday night as he drove from Paris to his weekend retreat in eastern France, police disclosed today.

De Gaulle escaped harm but the presidential car was slightly damaged and smoke-blackened.

Police said the bomb caught fire but did not explode. If it had exploded properly, they said, it could have destroyed the car and all its occupants.

De Gaulle, with his known contempt for danger, was reported to have dismissed the attempt with the remark that "It was a bad joke in poor taste."

The car did not stop when the bomb went off, but raced on to De Gaulle's country home at Colombey-les-Deux-Eglises 130 miles southeast of Paris.

Police said a man had been arrested at the scene and made a full confession.

Details of the confession were not made public but it was generally assumed the bomb—a crudely-made one—was the work of "keep Algeria French" extremists of the Secret Army Organization.

The incident first was disclosed in an official presidential communiqué that gave no indication that De Gaulle's car had been damaged.

But police reports showed what a near thing it was—and the split second timing involved that caught De Gaulle's car between his forward motorcycles escort and the rear escort.

The motorcade did not stop, the official statement said. De Gaulle arrived at his country home on schedule.

CHICAGO GAMBLER Frank (Lefty) Rosenthal refuses to answer questions before the Senate Rackets subcommittee after Oregon's star halfback, Mickey Bruce, testified that Rosenthal offered him a \$10,000 bribe to throw a game against Michigan last year. The gambler refused even to say whether he knew the Oregon star. (UPI Telephoto)

News In Brief

NEW ORLEANS (UPI) — Hurricane Carla, packing 125 mile-an-hour winds at its center, today aimed its full fury toward the upper Texas - West Louisiana Gulf Coast. Advance winds and rising tides sent shoreline dwellers fleeing inland.

The storm was so vast, with a center eye 50 miles wide, that gale warnings went up across the Gulf of Mexico from Corpus Christi, Tex., to Pensacola, Fla.

SANTA CLARA, Cuba (UPI) — Five "war criminals" captured in the abortive April invasion of Cuba were executed by a firing squad shortly after midnight today.

The five Cubans were sentenced by a revolutionary tribunal here late Friday night. Their appeals were denied in a matter of minutes, and barely two hours after the court announced its decision they were shot. No others tried with them were sentenced to 30-year prison terms.

MOSCOW (UPI) — Premier Nikita S. Khrushchev assured Prime Minister Jawaharlal Nehru of India today that he wanted to head off a "nuclear war." But diplomatic sources believed Nehru had failed in his mission to stop Russian nuclear tests and ease the Berlin crisis.

Preparation of Yellow Book to Start on Monday

Annual preparation of the Palm Springs "Yellow Book" by Western Directory Co., will be started Monday with questionnaires being mailed to all resort area residents.

"Yellow Book" publisher Joe Jackson said that the questionnaires soliciting information for the directory listings should be received within the next few days.

He urged businessmen and residents to cooperate by returning the necessary information as soon as possible.

The forms are accompanied with postage-free return envelopes to facilitate their return.

Senate Group Stumped on 5th

WASHINGTON (UPI) — Senate investigators today urged Michigan authorities to follow the trail of a tall, lanky, Chicago gambler who was tackled here by an Oregon University football star.

Frank "Lefty" Rosenthal was accused of attempted bribery by the Oregon player in a dramatic confrontation Friday before Sen. John L. McClellan's rackets investigating subcommittee.

Michael (Mickey) Bruce, 20-year-old senior defensive halfback, marched calmly to the big witness table, smiled faintly and sighted his man.

Then the El Cajon, Calif., youth pointed to Rosenthal as the man who offered him \$10,000 to sell out his alma mater in a game last September with the University of Michigan at Ann Arbor, Mich.

Rosenthal pleaded the Fifth Amendment. He sat slumped in a chair six feet away when his accuser "positively" identified him as the fellow who had a big stake in seeing to it that Oregon lost by at least one touchdown. Oregon actually lost by 21 points.

Bruce was the key witness as McClellan wound up the first phase of his look at organized gambling.

Brazil's Premier and Cabinet Get Approval

BRASILIA (UPI)—Congressional approval of Premier Tancredus Neves and his cabinet cleared the way today for formal installation of Joao (Jango) Goulart as figurehead president of Brazil's new government.

Neves won a 259-to-22 vote of confidence late Friday night. His cabinet was approved 246 to 10. Goulart, who was sworn in Thursday, was formally proclaimed president a few minutes later.

The premier—real boss of Brazil's new European-model regime—appeared to have the good will of congress. Most of the votes against him and his coalition cabinet were cast by supporters of Goulart who resented the new system's reduction of powers of the president.

Navy Minister Silvio Heck and Air Minister Grun Moss, two of the military leaders who resisted the inauguration of Goulart because they suspected him of Communist sympathies, resigned late Friday. The resignation of War Minister Odilio Denys was not announced immediately, but his successor had already been chosen.

The military ministers, led by Denys, put pressure on congress to adopt the European system of government as a means of limiting Goulart's authority.

Red Countries Would Suffer --Khrushchev

MOSCOW (UPI) — Soviet Premier Nikita Khrushchev today formally rejected the U. S. - British appeal for a halt to atmospheric nuclear tests. He said "it goes without saying that the Soviet government cannot and will not agree to such a deal."

In a statement handed to the U. S. and British ambassadors, Khrushchev said the Anglo-American proposal would allow the United States to carry on with underground nuclear tests and endanger the security of the Communist world.

The Soviet premier said a ban on atmospheric tests must be considered along with the whole question of "general and complete disarmament."

Khrushchev was replying to a note of Sept. 3 from President Kennedy and British Prime Minister Harold Macmillan in which they asked Khrushchev to agree to an immediate half of nuclear testing in the atmosphere. They set today as the deadline for the Soviet reply.

The Soviet leader said the Anglo-American proposal "in general" failed to include France. He said it would allow the two major Western powers "to go on improving their nuclear weapons, inasmuch as this proposal does not cover experimental nuclear weapons blasts underground and in outer space."

Khrushchev said the U. S. nuclear weapons program "now requires" underground tests. He said the United States at the Geneva nuclear test ban talks has sought for years to get "legalization" of underground testing.

"This has been one of the main obstacles to the conclusion of a treaty on the complete discontinuation of nuclear tests," Khrushchev said.

The Soviet premier said it "is no secret" the United States "long ago" arranged for underground nuclear test blasts in Nevada. He said the United States had "no intention" of conforming with the Soviet reply to the Sept. 3 appeal.

According to Tass, Khrushchev said this was seen in the fact that "Kennedy himself ordered the resumption of underground nuclear weapons tests on Sept. 5—that is, a day (sic) after the appeal to the Soviet Union."

"The Soviet Union," Khrushchev said, "is a champion of ending all types of nuclear weapons tests without any exception, universally and for all time to come."

In a speech Thursday, Khrushchev told the Soviet people for the first time that Russia had actually resumed testing. Up to then they knew was that the decision to resume nuclear tests had been made.

UAW Throws 2nd Half of 1-2 Punch

DETROIT (UPI) — The United Auto Workers Union has thrown the second half of its one-two punch at General Motors — an announcement that 310,000 GM workers will be free to strike at 10 a.m. Monday if plant-level disputes are not settled by then.

Only last Wednesday, General Motors was just hours away from another nationwide strike. But that was averted when GM agreed to a national economic package matching nearly all the benefits demanded by the UAW.

Friday night, UAW President Walter P. Reuther raised the strike threat again. He said local unions at GM factories around the country have been authorized to strike Monday if they have any unsolved plant-level demands.

No Contract Extension
There will be no contract extension beyond Monday, Reuther said, "because we have made it very clear this is the last deadline." The contract, first set to expire Aug. 31, was extended to Sept. 6, at government request, then to Sept. 11 to provide time to work out local problems.

Both Reuther and GM Vice President Louis G. Seaton agreed that settling the local disputes would be quite a problem.

Seaton and Reuther spent part of their time Friday trying to end a rash of wildcat strikes that broke out Wednesday. Because of the wildcaters, Seaton said the "Monday strike deadline is academic since we've got strikes right now."

Pittsburgh Walkout Serious
Wildcat walkouts started Friday at Janesville, Wis., and Flint, Mich., idling 5,500. Strikes by 5,500 workers at two St. Louis plants were settled. But the most serious walkout continued at Pittsburgh, Pa., where 1,450 workers have closed a key stamping plant.

GM lawyers went to court Friday to try and end the Pittsburgh walkout; a hearing was set for Monday. If the strike isn't settled, Seaton said, it "could interfere with our entire production" since there is no stockpile of parts for new 1962 models.

CONGRESS STORMS OVER USE OF TROOPS ON PAAR SHOW

WASHINGTON (UPI) — Pentagon officials hoped today to get a quick explanation from the Army to calm a congressional storm over its role in the filming of a Jack Paar TV show in Berlin.

Assistant Defense Secretary Arthur Sylvester said Friday the Army had been ordered to explain why 50 battle-ready U.S. troops were permitted to take part in the filming at a powderkeg crossing point between East and West Berlin.

White House Press Secretary Pierre Salinger said he had been in touch with Sylvester about the matter.

The incident touched off charges in Congress that the Army had let Paar make a TV spectacular out of the Berlin crisis. Angry legislators branded the episode as "disgraceful" and "reprehensible."

Paar, in a telephone call to the National Broadcasting Co. in New York, said he filmed the troops for broadcast next Tuesday "with

the full cooperation and permission of the U.S. Army." He said in Berlin he asked for the troops "more or less to show their mothers back home."

Sylvester said that if reports of the affair were true, it was a "disgraceful episode" in which Army officers had used very poor judgment. He said he had received a number of complaints.

The defense official said it would be "naive to say the least on the part of the Army to give the Communists a chance to watch our filming of a light TV show" during a crisis in which charges of provocative incidents were involved.

Sylvester declined to say what disciplinary action might be taken. But he said the incident was potentially dangerous and reflected poorly on the U.S. Army.

About 50 rifle-carrying soldiers and two colonels showed up for Paar's filming session Thursday at the Friedrichstrasse crossing point. It was the largest contingent of U.S. troops yet sent to the

concrete and barbed wire barricade between East and West Berlin.

The city council Monday night will be asked for permission to use helicopters for transportation of materials in the construction of the aerial tramway.

The 'copter will operate from the 2000-foot level to the upper terminus of the project.

A regular meeting of the city council will be held Monday night in the Council Chambers at City Hall at 8 p.m., when a total of 44 items will be before it for action.

Along with the acceptance of the fee patent for the land in Section 18, the council is expected to au-

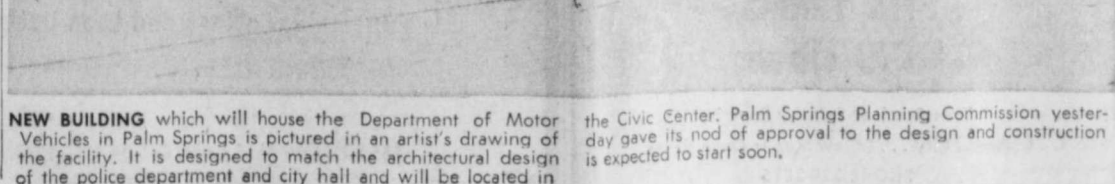

thorize the start of negotiations for the purchase of three 40-acre tracts in Section 18, giving it the entire section on which the municipal Airport is located, and will establish the position of airport director at a salary of \$782 to \$950 per month, with a car allowance of \$50 per month.

The council will receive a letter from Desert Stage Lines with a proposal for a new bus line service in the resort community and asking the city to support such a plan.

Other matters have to do with the letting of bids for grass seed and Polo Ground fencing, and a rejection of all bids for a golf course fairway tractor.

City Manager Dan Wagner will give a report on the cost of a clothing allowance for the Palm Springs fire department, estimated at about \$5000 a year.

Wagner will ask the council to consider a recommendation for the re-scheduling of its meeting starting the month of October 1961.

NEW BUILDING which will house the Department of Motor Vehicles in Palm Springs is pictured in an artist's drawing of the facility. It is designed to match the architectural design of the police department and city hall and will be located in

the Civic Center, Palm Springs Planning Commission yesterday gave its nod of approval to the design and construction is expected to start soon.

Walker Invoked Plea Like Fifth

WASHINGTON (UPI) — The Defense Department has refused to comment on a published report that Maj. Gen. Edwin A. Walker invoked the military equivalent of the Fifth Amendment in refusing to answer certain questions.

The report by the Washington Star quoted Pentagon sources as saying that the general became evasive during questioning about his alleged efforts to influence the votes of his troops in the 1960 congressional elections.

It said the Army interrogator finally instructed Walker to answer directly or to invoke Article 31 of the Uniform Code of Military Justice. The article says no persons may be compelled to answer any question which may tend to incriminate him.

Walker then pleaded the protection of the guarantee against self incrimination, the account said.

Although the Defense Department had no comment, informed sources said this aspect of the controversial case would be disclosed if it is decided to make public the 992 pages of testimony taken in the matter.

Walker received an official admonishment and was relieved of command of the 24th Division in Germany following an investigation of charges that he tried to indoctrinate his men with extreme right wing views similar to those of the John Birch Society.

One charge was that the general violated Army regulations, the Hatch Act and a parallel federal criminal statute by trying to get members of his command to vote for conservative candidates in the 1960 election.

Last Gasp Ban Attempt

GENEVA (UPI)—U.S., British and Russian nuclear test ban negotiators arranged to meet today in what may be the last gasp of their 34-month efforts to halt the atomic arms race.

Today's session was the 340th since the conference began in the fall of 1958. Western sources said the talks probably would be recessed for some time to come—perhaps forever.

Such a move would be a frustrating end to the work of the negotiators who have finished almost two-thirds of a test ban agreement.

The remaining stumbling blocks centered around Soviet reluctance to accept what the West feels is adequate controls on any test ban.

The Western sources placed the blame for the imminent death of the talks squarely on the shoulders of Soviet Premier Nikita Khrushchev.

On this day in history:

In 1776, the term "United States" became official as the Second Continental Congress ruled that "in all continental commissions and other instruments, where heretofore the words 'United Colonies' have been used, the style be altered, for the future, to the 'United States.'"

In 1850, California became the 31st state.

In 1926, the National Broadcasting Company was organized in New York City as a service of the Radio Corporation of America.

A thought for today: English author Geoffrey Chaucer said: "That both of these are vices is well seen, to trust all men, or all men disbelieve."

Climactic Miss America Test Set Tonight

ATLANTIC CITY, N. J. (UPI)—Fifty-five hometown queens went into rehearsal today for the surprise ending of America's Cinderella story.

Miss America 1962 will be chosen and crowned before the stroke of midnight in view of an estimated 17,000 persons in Atlantic City's Convention Hall and a nationwide television audience.

"She'll be the one that has something of everything because that's what you need in life," said actress Joan Crawford emphatically.

"She'll be the one combining in the highest degree grace, charm, beauty, talent and intelligence," said another of the 11 judges, Dr. Theodore A. Distler, executive director of the Association of American Colleges.

All the contestants were on stage this morning rehearsing for tonight's show without knowing who would be playing what part after names of the 10 finalists are announced.

There was no assurance that winners of preliminary contests earlier in the week would wind up among the 10 finalists, but all were crowd favorites and seemed likely to make the list. The early winners included two girls from the Far West in the talent division. They were:

Miss California, Susan Ann Henryson, Fresno, a 5-7 inch freckle-faced redhead, 36-23½-35. A junior studying art at Fresno State College, she has had no training as a singer, but won by belting a medley of jazz songs—and by showing both grace and poise when she discovered she was singing to a dead microphone and had to start over.

—Miss Utah, Carolyn Deann Latsater, Salt Lake City, a Delta Gamma Sorority member at the University of Utah. She is 5-9 inches, measuring 37-23-36. She took the talent preliminary with a clever pantomime on a career girl's day.

Part-Term Seen For Adenauer

BERLIN (UPI) — Chancellor Konrad Adenauer's aides started spreading the word today that the 85-year-old West German government chief would not serve his full term if reelected this month.

Government press chief Felix von Eckhardt started the ball rolling Friday night — just nine days before the election — with a statement in Cuxhaven that Adenauer would serve at least through the present Berlin crisis but might turn the office over later to Economics Minister Dr. Ludwig Erhard.

"I believe I rightly interpret the chancellor if I say he does not plan to carry the burden as

government chief for another four years," Eckhardt said.

West Berlin Mayor Willy Brandt is the Socialist party's candidate for the chancellorship. Adenauer is running on the Christian Democratic party ticket.

The Communists were having troubles on the other side of the 25-mile wall with which they have sealed off East Berlin from contact with West Berlin.

A 23-year-old East Berliner rammed his ruck through the Brandenburg Gate barriers to West Berlin Friday and a 19-year-old East German tractor driver managed to slip across the Thuringia border to West Germany.

Stevens Blames Contract Death On Wall Street

By VERNON SCOTT

HOLLYWOOD (UPI) — Producer-director George Stevens blames Wall Street for the demise of his contract with 20th Century-Fox Studios and complications in filming "The Greatest Story Ever Told."

Stevens pulled no punches in blaming two financial bigwigs for ending his agreement with the studio and forcing him to go ahead with the biblical epic on his own.

"It was not the work of Spyros Skouras or any other executives at the studio," Stevens said unhappily.

"The New York executive committee determined to 'postpone' the picture indefinitely on the very same day that I was talking to Mr. Skouras here in Hollywood about a starting date for production."

Casting Ideas

"The men are Eugene Woodfin and Milton Gould, chairman of the committee, who gave us their views on how the 'street' felt about the motion picture. Earlier they had even made suggestions about casting. One of them had in mind a Broadway musical performer."

At first the WallStreet contingent had hoped to cancel the picture altogether, but Stevens was determined to see it through.

"My attorneys prepared the greatest lawsuit ever filed if we hadn't reached an agreement I felt was fair. My contract clearly was for making a picture, not for abandoning one," he said.

"The European offers were the most attractive, but I want to picture altogether, but Stevens was determined to see it through."

CZECH ENGINEER DEFECTS

HALIFAX, N.S. (UPI) — A Czech engineer has defected by slipping off a Cuban airliner returning him to Czechoslovakia and has asked for political asylum in Canada, it was learned.

United Press International learned that Karol Kocourek, a mechanical engineer who spent some months in Cuba working for the Cuban government, defected at Gander, Nfld., last Saturday, while his plane was refueling.

MUNDO VILLEGAS, the water-ski batman from Mexico now appearing at the North Shore Beach Yacht Club, will have a dual celebration Sept. 16. Palm Springs Mayor Frank Bogert has proclaimed the date "Mundo Villegas Day" in the Village. The day is also celebrated in Mexico as one of two Independence days, marking the beginning of the 1810 struggle against Spain.

Proclamation Honors Ski Jump Champ

"Mundo Villegas Day" has been proclaimed here by Mayor Frank M. Bogert for Sept. 16, one of two major Independence days in Mexican history.

Historically, Sept. 16 is one of the fateful days of the 1810 call for revolt which led to Mexico's independence from Spain.

At the North Shore Beach Yacht Club, there will be a dual celebration honoring Villegas, the Mexican water ski-champion and exhibition performer making his inaugural American performances on the Salton Sea, and the historical day in Mexican history. The fete will be highlighted by presentation of a parchment copy of Mayor Bogert's proclamation. Other copies will go to Mexican president Adolfo Lopez and President John F. Kennedy.

Mayor Bogert extended "heartiest greetings and good wishes" in the official proclamation, terming Villegas "our distinguished visitor and Ambassador of good will."

'TOP STORY' AWARD TO DESERT MAGAZINE

Palm Desert's unique regional publication, Desert Magazine, has received the state's highest award in press - radio - television "Top Story" competition.

Gov. Edmund G. Brown presented the Gold Medal Award for Excellence to the magazine's editor, Eugene L. Conrotto of La Quinta, at a Sacramento banquet attended by 800 persons. The awards are given in conjunction with the California State Fair, now in progress at the capital city.

Desert Magazine's entry was an

entire special issue released in July of 1960 on the theme of "summer heat." Westways Magazine of Los Angeles received the Silver Award in the magazine category; Sunset Magazine, Palo Alto, was Bronze Award winner.

Desert's "Summer Heat" issue contained a dozen feature articles on the high temperature theme—a first person account of being lost on the desert for five days; problems encountered on the Mojave and Colorado deserts by troops training under General Patton; stories of summer life in Death

Valley; a history of the Panamint Indians, traditional first inhabitants of Death Valley; a discussion of how plants and wildlife adapt to extreme heat; and others.

SAFE SITTING

NEW YORK (UPI) — Make absolutely sure your baby sitter is reliable, suggests the American Academy of Pediatrics.

Also tell the sitter where you will be, how you can be reached and what time you will be home. If you are delayed, call your sitter to let her know.

Observing Custom

NEW YORK (UPI) — Following an old Scandinavian custom of giving a gift to others to celebrate a happy occasion, Jan Mitchell, a New York restaurateur (Longchamps) and art collector, presented a valuable painting to the Museum of Modern Art here in honor of his recent wedding.

Mitchell, a native of Sweden, gave the museum the surrealist drawing, "The Family," by the famed Spanish painter Miro.

(looks up) ... please! ... if not, stay tuned because Dinah & I will both be back on roller skates ... after many years Dinah & her sponsor are separating. This summer she'll see the USA on foot. Yes, this is the time of the year when I go on a vacation & my relatives go back to work ... it's been a wonderful season for me. I know I've made a lot of you happy. Now I'm going off the air for a while, and make the rest of you happy!! ... it's been a strange year for comedians. Who ever thought I'd be off & Adlai would be working? I'll be back next season, on a horse. If you can't lick 'em, join 'em."

The "Lock Doctor" is now George Kuffner (Maynard Groth moved to Honolulu) ... my nephew, Jeff Wright & I were talking to Fritzie & George & as Jeff (age 5) gazed around carefully scrutinizing the locks, wide-eyed he commented, "Auntie, I know what kind of a lock I would 'pick' here."

MAKING THEIR HOME at 4113 Calle San Antonio, are M/Sgt. and Mrs. Edward M. Barnum, who were wed and honeymooned in Las Vegas. The bride is the former Mrs. Alyce Mills.

Alyce Mills Is Bride of USMC Sergeant Barnum

After reciting vows at the Little White Chapel in Las Vegas, and honeymooning at the Aqua Hotel, the former Mrs. Alyce Mills and her benedict, M. Sgt. Edward M. Barnum, are at home at 4113 Calle San Antonio.

The bride, who has resided in Palm Springs for the past 15 years, wore a white lace ballgown length gown and, in lieu of a veil, wore baby orchids in her hair.

The bride has two daughters, Mrs. Thomas (Mary Kathryn) Rhodes of Indio, and Mrs. Richard (Marilyn) Habiken of San Jose. Stationed at Twentynine Palms Marine Base, the groom is the

editor of the marine newspaper, Observation Post.

On their return to the desert, the newlyweds were honored at a wedding supper, hosted by the bride's parents, Mr. and Mrs. George Hokey of Indio.

Present to honor the Edward Barnums were the bride's daughters, her niece, Theresa Hokey, and her grandson, Mark Rhodes.

Grinding stale bread is the easiest way to make a large batch of bread crumbs. A plastic bag attached to the grinder with a rubber band makes a good receptacle for the crumbs and also prevents crumbs from falling.

Around Town

... with Hildy Crawford

Tales of hunting on the African veldt, have preceded the homecoming of Jock Williamson, who has been visiting his brother Robert, who is a Member of Parliament.

Jock said they wandered for hours in the bush and long grass watching buck and koodoo and saw plenty of pheasant and guinea fowl, and came across some cobra "who made a fast get-away."

On his way home Jock stopped in Madeira and spent a week on the Isle of Wight with his sister Margaret, who is a frequent winter visitor here. He planned to stop over in New York and to arrive home around the end of this month.

A note from Nena and Tony Rose at Lake Tahoe says that they have had a very successful season at the North Shore Club and are looking forward to the opening of the Tennis Club when Tony will again be back on the orchestra stand.

I haven't been up to check yet, but hear that the "new" Tennis Club is taking shape and is going to be fabulous.

Lunching in the Signature Room the other noontime was Orph Frank, very smart in a white dress and hat trimmed in red and looking very fresh for having been here all summer. Last week her niece Joyce (Mrs. Steven) Resnick of Woodland Hills was here for a visit. Joyce (many of you will remember this attractive young brunette who wintered with Orph a few seasons back) will be a mother around the first of October.

News comes from Spokane of the death this week of Clutha

(Mrs. Walter) Leuthold, who passed away following a heart attack. The Leutholds have a home at Thunderbird.

Cliff Brown's charming fiancée, Shirley Dunfield, who will become Mrs. Brown on October 7, should fit right into the Palm Springs picture. She loves Palm Springs even in the summertime, has an interest in things cultural, artistic and theatrical, and is mad for hats.

Speaking of hats, first entry in the annual Hat Parade Luncheon at the Chi Chi on November 4 is one in the commercial classification, and comes from Robinsons, who had such a fabulous entry last fall. There are some other exciting things a-brewing for the Hat Parade, which is under the sponsorship of Palm Springs Pathfinders this year.

Proceeds from the affair will go to the Pathfinders' current project, the Boys' Club swimming pool.

Margaret (Mrs. S. P.) Manasse returned Thursday from Toronto, where she has been visiting her sister Mrs. Jayne Webb. She and Solle had spent six weeks at La Jolla earlier this summer. Now that she is home, she is busying herself again with the Boys' Club swimming pool project of which she is chairman.

A bright spot in Palm Springs is the brilliant array of many-colored zinnias that are in full bloom in The Center. Adding to the gay scene are the park benches that are being re-painted in sea green and coral.

Many desertites, who are also part-time Angelenos, got fooled over the holiday weekend when

they figured the city as the best weather bet. While Palm Springs was enjoying 95 degree dry sunshine the Big Town was sweltering in over 100 humid degrees.

Among the lucky ones were Dolph and Kay Obergfel, who motored down here after a dinner at Allan Chase's Bel-Aire home and stayed down through the early part of the week.

When she was abroad earlier this summer with Edna Rothbart, Kay encountered Dottie Davis. A recent postcard from Dottie from her Memphis home, says that she's planning a quick trip back to Paris for more antiques and will be opening her desert home in early November.

Laurena Heple and Nancy Eastman had expected to come down for the holiday weekend but changed their plans at the last minute. Laurena's new Sunset Plaza home had a Palm Springs atmosphere though, with so many desert friends popping in and out. Alice Faye Harris stopped by on her first day at 20th Century Fox, where she's playing a role in "State Fair." and Ninon and Dr. William McBride came to pick up the key to Laurena's Pebble Beach house, where they holidayed.

Sun Valleyite Likes The Desert

Thoroughly enjoying her week's visit in Palm Springs, was Judith Martin of Sun Valley, Calif., who was here visiting her sister Marie Gross of Airline Drive.

Over the weekend, the two women had their 84-year-old mother Mrs. Josephine Molnar of Rancho Mirage, with them.

Colson Family Vacation Includes Class Reunion

First vacation stop for Bill and Una Colson and children, Bill and Karen, of Leslie Circle, was Fort Collins, Colo., where Bill attended a 25th anniversary reunion of his senior class in high school.

Bill and Una were raised in

mark the 25th anniversary of Una's high school graduating class. The Colsons were the story book type of high school sweethearts, and were wed the day Bill graduated from Annapolis Naval Academy.

Following the reunion, the entire family spent two weeks at Freedom School in Palmer Lake, Colo.

On their return trip, the family visited their many relatives and friends in Colorado and turned tourist in Arizona, where they camped out at Grand Canyon and viewed a space age sight, the giant meteor, near Flagstaff.

Young Bill is now visiting his maternal grandmother, Mrs. May Bowman of Portland, and will return to his sophomore studies at San Jose State next week. Karen is a sophomore at Palm Springs High.

Colson is an engineer and man-

FROM SALT LAKE CITY comes Shirley Dunfield, whose approaching marriage to Cliff Brown has been announced this week.

Cliff Brown to Be Wed to Utah Girl in October

Plans for an October 7th wedding in Palm Springs were announced this week by Shirley Dunfield, daughter of Mr. and Mrs. C. A. Messinger of Salt Lake City, and Cliff Brown. They will be married by Richard L. Noyes, president of the Church of Latter Day Saints.

The two met in Salt Lake City about 15 years ago, when Cliff was there doing publicity for Universal-International.

A native of Salt Lake, the bride-to-be is a graduate of the University of Utah and interested in amateur theatricals in which she participated during her college days. She has appeared in plays starring such professionals as Basil Rathbone, Walter Abel and Edward Everett Horton. In recent years, she has modeled for Jantzen and other New York fashion houses. She and her three children, Rusty and Buff, who will enter Caluilla School, and Sherry, who is enrolled as a sophomore at Palm Springs High School, are already in Palm Springs and living in the house at 1956 Belding Drive, where the Browns will be at home after October 7.

The bridegroom - elect is start-

ing his seventh year in Palm Springs as local representative for the firm of McFadden & Eddy, that handles the city's publicity, and is a new vice president of the firm he represents. He is also president of the Desert Press Club at Palm Springs.

His parents, Mr. and Mrs. Bert Brown, who had been living in the Belding Drive house, have purchased a new trailer and are living at the Safari.

Television in Review

By FRED DANZIG
NEW YORK (UPI)—TV, sexy medium that it is, has found room for lady wrestlers, lady bowlers and lady roller skaters. Thursday night, CBS-TV's "Summer Sports Spectacular" called in the lady soft-ball players.

In a game played at Portland, Ore., for the national championship, a team of girls from Whitier, Calif., defeated a Stratford, Conn., squad, 2-1, in 19, count 'em, 19 innings. Needless to say, the tape had to be edited to fit the hour limit. Cameras, located behind home, first and third, lacked sufficient elevation, and, as a result, had to pan, zoom and tilt rapidly, sometimes erratically, to cover the fielders when a ball was hit. This procedure made it a difficult game to follow on TV.

The rugged girls in the game were observed chewing gum, spitting, using a bat to knock dirt from their cleats, just like men. They also could run, throw, slide and swing like men. But they wear short shorts and have nicer legs.

I detected two gestures that might be described as feminine: a young girl jumped for joy after she smote a two-bagger and drove in a run and, when the winning run scored, there were kisses for everyone. Otherwise, it was like watching Yogi Berra. Announcer Bud Palmer, who was exhausted by the game, noted that one of the pitchers hurled

a total of 33 innings in a nine-hour span. That's almost five full games. And they wonder where the major leaguers of tomorrow will come from.

Sensors Get Hour
CBS-TV's "Joint Appearance" gave Sen. Stuart Symington, D-Mo., and Rep. Walter Judd, R-Minn., an hour in which to answer questions and air their views. The lawmakers were eager to air their views at length and that left too little time for questions. The discussion circled

with lengthy prefaces and generalities and rarely got down to the meaty probing that can be so stimulating.

Rep. Judd enlivened the hour with a summary of his experiences as a "protester." In substance, this is his quote: "Protest before an action, you're an obstructionist. Protest during it, you're rocking the boat. Protest after, they charge 'hind-sight.' They give you no time to protest, so I protest all the time—before, during and after."

ONE OF THE MANY unique displays in the huge palace of Agriculture at Los Angeles County Fair in Pomona, Sept. 15 to Oct. 1, is a one man's farm exhibit in which Mr. and Mrs. Alex Mueller, of La Verne, display specimens of 130 items grown on their 10-acre plot. One of the most curious is a collection of weird shaped gourds shown here by Diane Munch, a princess in the fair's royal court of agriculture and student from West Covina at Mt. San Antonio College.

THE DESERT SUN Page 7

SUNRISE ON THE HI-DESERT is depicted in this unusual photo taken at the Catholic Chapel of the Twentynine Palms Marine Corps Base, where Father Joseph F. Brennan is chaplain. The

"silver-lining" effect, created by storm clouds brewing on the horizon, was observed by early risers throughout the desert area.

Sermon Titled 'Substance,' Effective Prayer Stressed

Effective prayer will be the theme emphasized Sunday in the Lesson-Sermon on "Substance" at the Christian Science church services.

Scriptural citations include the

account in Luke's Gospel of the two men who "went up into the temple to pray; the one a Pharisee, and the other a publican." The humility of the publican was commended by Jesus in these words, "I tell you, this man went down to his house justified rather than the other; for every one that exalteth himself shall be abased; and he that humbleth himself shall be exalted" (18: 10, 14).

"What are the motives for prayer?" questions Mary Baker Eddy in "Science and Health with Key to the Scriptures." She continues, "Do we pray to make ourselves better or to benefit those who hear us, to enlighten the infinite or to be heard of men? Are we benefited by praying? Yes, the desire which goes forth hungering after righteousness is blessed of our Father, and it does not return unto us void" (p. 2).

The Golden Text is from Hebrews (3: 14), "We are made partakers of Christ, if we hold the beginning of our confidence steadfast unto the end."

Dodgers Fall 7-3 Before Giant Arm

SAN FRANCISCO (UPI)—Hey, the San Francisco Giants have beaten the Los Angeles Dodgers six straight—in Candlestick Park, that is.

Manager Walt Alton of the Dodgers, his team trailing Cincinnati by two games again as a result of a 7-3 thumping Friday night, planned to recoup today by sending Don Drysdale (11-8) to the hill against San Francisco's Juan Marichal (13-10).

Big Don stopped the Giants with a two-hit shutout earlier this week while they were in the throes of a five-game losing streak which included four setbacks in Los Angeles.

The Giants broke out of its slump with a four-run blast in the first inning that sent Johnny Podres to the dressing room before the side was retired.

Willie Mays belted his 35th homer with a man on and Orlando Cepeda moved further ahead in the league race with his 39th

Angels Bow 5-3 Before Sox in Home Run Field

LOS ANGELES (UPI)—The Dodgers have the Coliseum, and the Angels have Wrigley Field. It's no secret that players on both teams will shed few tears when they move to Chavez Ravine next season.

You could add Angel manager Bill Rigney after Friday night's 5-3 loss in 10 innings to the Chicago White Sox at Wrigley Field. Minnie Minoso hit a 3-and-2 pitch by Jim Donohue into the center field bleachers for a two-run homer that broke up the 3-3 tie, giving the White Sox their 14th victory in 17 games.

The ball dropped over the screen in front of the bleachers about 260 feet from the plate.

"That wouldn't have been a home run in any park but Wrigley," Rigney commented after the game.

The homer was the 214th of the season in Wrigley, five short of the major league record for one ball park—Cincinnati's Crosley Field.

In tonight's game, Eli Grba, 8-11, pitched for Los Angeles against rookie Joel Horlen, called up from San Diego of the Pacific Coast League where he was 11-9.

Big 5 to Grow In Future, But Not Too Soon

LOS ANGELES (UPI)—The Big Five conference will expand in the near future—but it's doubtful the expansion will take place within the next five years.

Officials of the University of Southern California expressed those beliefs Friday when they discussed rumored expansion plans for the two-year-old athletic league.

Dr. Norman Topping, president of USC, said he "thinks there will be expansion" but doesn't know how soon it will take place.

Athletic Director Jess Hill agreed with Topping that expansion was inevitable for the Big Five, formally known as the Athletic Association of Western Universities. But Hill doubted enlargement could be effected in the next five years—due to advance football scheduling.

"We are scheduling Northwest schools in football and basketball intermittently," Hill added. "However, expansion to include some of the schools could not possibly go into effect until after 1968 in football."

Pro Football Opened by AFL; Four Games Set

By United Press International
The eight-club American Football League opens its second championship season tonight, with the owners hoping the attendance will be as much improved as the coaches claim the opposing teams are.

Defending champion Houston faces the Oakland Raiders at Houston and Boston hosts the New York Titans in the opening scraps tonight. Sunday it will be San Diego at Dallas and Denver at Buffalo.

The Oilers are a solid favorite to whip Oakland, a team they beat 35-17 in a pre-season exhibition game. Some 20,000 fans are expected to show up for that game—provided hurricane Carla lets it get underway.

The Patriots are given a slight nod over the Titans, chiefly because of the home-field advantage. The two teams split a pair of exhibition tilts.

The National Football League enters its last weekend of exhibition contests before the regular season opens on Sept. 17.

49ers Meet Dallas

SACRAMENTO, Calif. (UPI)—The San Francisco Forty Niners and Dallas Cowboys square off tonight in the two clubs' final exhibition test before beginning the National Football League campaign.

A capacity crowd of approximately 23,000 is expected to see the two teams, both of which have won two and lost two in pre-season play.

Forty Niner coach Red Hickey promised to start an all-veteran lineup and go with it most of the way, because "this one is important...a win just before the opening of the league does something for you."

Mantle Hits 52; Kubek Gets HR As Indians Fold

United Press International

The world may be in a mess, but no more so than the American League, which has been reduced to a near shambles by those monstrous M-bombs—Maris and Mantle.

Where once there was a tight race, there is nothing left today but a tremendous gap at the front of which are the long-gone New York Yankees, 10 full games ahead of the field.

The general theory holds Roger Maris and Mickey Mantle chiefly responsible for this sudden chaos, and pitcher Gary Bell, the victim in Friday night's 9-1 victory by the Yankees over the Cleveland Indians, goes along with the consensus.

"Everybody is concentrating so hard on Maris and Mantle that the other seven guys in the Yankee lineup are beating our brains out," said the dejected Bell.

The Cleveland right-hander was tagged for Mantle's 52nd homer of the season with the bases empty in the fifth inning but that wasn't what hurt so much.

Yanks Win Ninth

What bothered him far more was a triple and a two-run single by winning pitcher Bill Stafford plus a two-run homer by Tony Kubek.

It all added up to the ninth straight victory for the runaway Yankees, who had to stifle a yawn upon hearing that the second-place Detroit Tigers went down to their eighth straight defeat in a 9-2 setback at the hands of the Boston Red Sox.

Maris went hitless in three official tries Friday night but even so he figured in a record-equaling feat with Mantle. Mickey's 52nd homer, along with the 55 Maris already has hit, equals the two-man major league mark of 107 homers in a single season set by Babe Ruth and Lou Gehrig in 1927. Ruth hit his record 60 that year and Gehrig hit 47.

In other AL activity Friday, Baltimore took two from Washington, 2-1 and 4-2. Kansas City beat Minnesota, 6-4, and the Chicago White Sox defeated the Los Angeles Angels, 5-3, in 10 innings. Cincinnati nulled ahead to two games in the National League race with a 3-2 squeaker over St. Louis in 10 innings while the San Francisco Giants ended the Los Angeles Dodgers' four-game winning streak, 7-3. Pittsburgh beat Milwaukee, 2-1, and the Chicago Cubs downed the Philadelphia Phillies, 4-1.

Too Much Pagliaroni

It was a case of too much Jim Pagliaroni for the staggering Tigers, who collected only two hits against the Red Sox.

The Orioles ran their winning streak to seven straight with their pair of victories over the Senators, who now have lost 10 in a row and 24 out of 24.

Kansas City won its game with Minnesota by coming up with four unearned runs in the seventh on Zoilo Versalles' second error of the game. Reliever Dave Wickersham was the winner.

Twin Ms Tie '27 Season Homers

NEW YORK (UPI)—New York Yankee sluggers Mickey Mantle and Roger Maris—still in relentless pursuit of Babe Ruth's mark of 60 homers in one season—have equalled the all-time record of 107 homers in one season by two teammates.

Mantle hit his 52nd homer of the season in the Yankees' 9-1 victory over the Cleveland Indians Friday night. Combined with Maris' 55 homers, the two Yankee sluggers have equalled the mark of 107 set by Ruth and Lou Gehrig in 1927. Ruth hit 60 that season while Gehrig hit 47.

Monday Meet Slated for JV Squad Hopefuls

Palm Springs High School boys seeking roles with the Junior Varsity squad will meet at the school gym at 3:30 p.m. Monday, JV Coach Cal Farley announced.

Farley, who will share the coaching chore with Dick Hough, emphasized that the team must get into shape quickly for a Sept. 28 opener at Perris.

All JV candidates are asked to pick up their physical exam cards in the high school administration offices Monday before the meeting. Equipment will be issued at the afternoon gathering.

'King' Favored For Futurity Run

DEL MAR (UPI)—One of the finest crops of 2-year-olds in the history of the race goes to the post today in the 14th running of the \$106,390 Del Mar Futurity.

The 15 juveniles entered in the six furlong race equalled the largest field ever to start in the Futurity, the same number having gone postward in the 1955 running when Blen Host was the winner.

Verne Winchell's Donut King was expected to start a slight favorite over the C. V. Whitney entry of Rattle Dancer and Killoqua.

HOPEFUL COACH SEES

Better Bears' Year

By HAL WOOD

BERKELEY, Calif. (UPI)—What can you do when you have to face the likes of Texas, Iowa, Missouri, Washington, Southern California, Penn State, UCLA, Air Force, Kansas and Stanford on successive weekends? Smile, brother, smile!

That's what coach Marv Levy is doing in his sophomore year as headmaster of California's Golden Bears.

Levy is putting up a fine front for a guy who lost eight of his 10 games last year—on a schedule not as tough as this one. Additionally, he lost a goodly portion of his 1960 line.

Positive Thinking

"These boys believe in themselves," says Levy. "They are looking forward to playing this tough schedule. And we believe them."

Levy will use the unbalanced line with a split end formation this year and thinks maybe his offense will pick up a bit. It scored only 12 touchdowns all last year.

What makes the coach think the boys will work out well is the fact that he has a good backfield and some young ends who may turn into dandy pass catchers.

The passer will be big Randy Gold, a 6-3, 200-pound junior quar-

MUNGO, JR., FANS MEMORIES OF MID-30'S FIREBALL FATHER

NEW YORK (UPI)—You have to wonder, when they read it, what went through the minds of guys like Casey Stengel, Burleigh Grimes and Leo Durocher.

It was a short piece buried in the sports news which said that the Washington Senators had signed a young man named Van Lingle Mungo Jr. which may not mean much to the sprouts in the audience.

But to the trio above, who managed his father it was to turn the clock back a quarter of a century to the days of "Mungo the Magnificent" and the hey-days of the daffiness boys in Brooklyn.

Mungo the elder was a 19-year-old fireballer when he arrived at Brooklyn in 1931 for an 11-year tenure. He developed, during that period, into a firebrand with super elastic training proclivities who would just as soon fight his own guys as anybody else.

Wheel Horse
He was one of the wheel horses as the Dodgers became a national institution. For Mungo lasted

Siesta Is Winner

By United Press International
The memory of Sherlock Holmes was brought to life at Belmont Park Friday, and true to the old detective's style the audience was shocked by a surprise ending.

Siesta, a 9-1 outsider, charged mysteriously from out of nowhere to overhaul the leaders and win the feature \$10,000 Silver Blaze Purse.

through several eras: the clowning regime of a Stengel whose greatest fame still was in the distant future; the deathless vendetta with the "Jints"; the battling days with "Boiley"; and the raucous beginning of Durocher.

Van Lingle was the only star when Frenchy Bordagaray was trying out with a moustache and a monacle; when Babe Herman came along to make it a dull day unless the Dodgers wound up with three men on third, and a New York Giant manager named Bill Terry had the temerity to ask:

"Are the Dodgers still in the league?"

That cost the Giants a pennant in 1934. The Dodgers played better than they knew how and, behind Mungo's irate fast ball, knocked off the Giants in a doubleheader to cut them out of the flag.

Mungo arrived in Brooklyn in 1931 but it wasn't until 1933 that he started to hit the headlines as he won 16 games and fanned 110 hitters. More important, in Brooklyn, he beat the Giants five times.

Becomes Holdout
The next year, 1934, was the one of Terry's vocal mistake and when Mungo wound up with 18 victories on the season, he, too, began to accept the fact that he was one of the best pitchers in baseball. For the following spring he was a holdout.

"My wife offered me \$25,000 to stay home," he said disdainfully, ultimately signing after missing

the exhibition season.

Things really began to pop in 1936 when he walked out on the club in June and Stengel got him to return, only to get the gate himself. Again Mungo became a Brooklyn hero when he won a fisticuff decision from Dick Bartell of the hated Giants.

By 1937, Mungo was really swinging. He was fined more than \$5,000 during the course of the season, including \$1,000 for belting one of his own teammates. He accused Grimes of salary jealousy, was likened to a "time bomb" on the bench but still was the only Dodger on the All-Star team.

Start To Slide
That was the game, incidentally, in which Dizzy Dean suffered the broken toe which was to mark the start of the end for him. Mungo was the loser of the game and hurt his shoulder to start his slide, too.

A sore arm shackled Mungo in 1938 and he suffered a broken ankle in 1939. In 1940 there was an arm operation and, in his last start, the great Mungo was the mop-up man in a shabby 2-3-2 Dodger loss.

The spring of 1941 was his Dodger swan song. Larry MacPhail was running the Brooks and at Havana the relaxing Mungo walloped the volatile red-head on the whiskers. There was an incident with the female portion of a dance team, which eventually cost Mungo \$2,500, and Van was spirited back to the states.

From there it was Minneapolis, three years with, of all clubs, the Giants, and all the way down to Clinton of the Tobacco State League. A brawl ended that connection, too.

Junior certainly must bring back memories to a lot of people.
